

Full-Service complete stands at Cleanzone 2022

From 2022, Cleanzone offers a full-service complete stand in two different sizes. In addition to the stand rental, the all-inclusive package contains the stand construction, cleaning, electrical connection, graphics and the media package as well as the environmental contribution. The full-service complete stand offers you all the services you need for a successful trade fair presentation with total cost control. Only VAT and the AUMA contribution will be added.
